

What's Expected Of A Bartender?

Approachable

provide great quality drinks, and also conversation, laughter, education on drinks, and sometimes even counselling.

01

Knowledgable

Dispense great drinks, educate customers in the wonderful world of alcohol, turn difficult customers into long time regulars but also entertain and wow each and every guest who comes through the doors

02

Comfortable

The environment set by the bartender must feel completely comfortable to the customer,

03

The execution

not only make great drinks, but be able to do so with a smile whilst reading each guest they serve...

04

The Delivery

Remember that the bar is a stage. The bartender should love it.
